

Door

# Standard 78

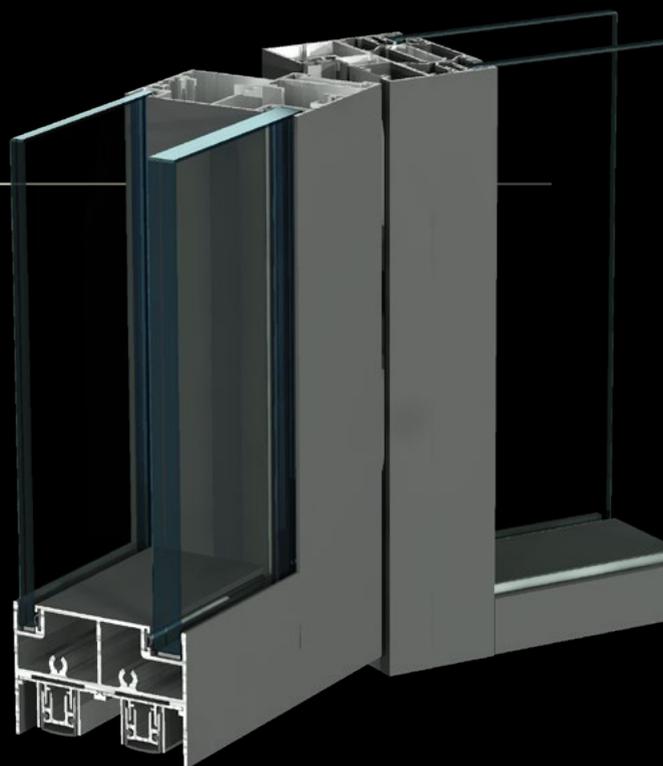

Rw up to 42 dB

Any colour from the RAL palette

Elegant design

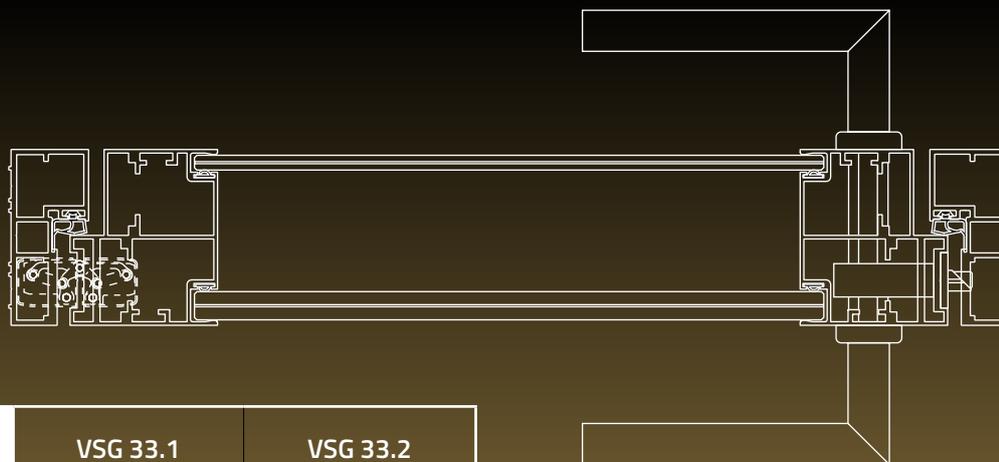

The aluminium frame, with a depth of 78 mm and glazing thickness of 6 mm to 12 mm, lends an elegant character to this door. **STANDARD 78** doors can be single or double leaf, with a maximum height of up to 3000 mm. Furthermore, all profiles and hinges are painted in any RAL colour, enabling the door to be matched to any interior.

Single or double leaf doors
